Consumer Target Market

Target Market

The Cash Converters Medium Amount Credit Contract (MACC) is designed for persons who meet all of the following requirements:

- Are employed
- Are between 18 and 79 years of age
- Hold an Australian bank account
- Have a permanent residential address in Australia

These persons may also have one or more of the following characteristics:

- May receive part of their income via payments under the Social Security Act
- May be regular users of alternative financial products to supplement their income (such as Small Amount Credit Contracts, Buy Now Pay Later, or Early Wage Access products)

Customer objectives (purpose of obtaining credit)

- Want to use the borrowings to purchase small or medium assets, conduct home or vehicle repairs, cover life events, or pay for expenses to benefit them or their dependents

Customer needs (credit amount and term)

- Have a need to borrow between \$2,050 to \$4,600
- Want the certainty of repaying the borrowings through an agreed schedule of regular minimum repayments
- Want the ability to repay the loan over a planned term ranging between 4 and 24 months
- Want to receive the borrowing into their bank account (rather than over the counter as cash)

Distribution Considerations

- All distributors are required to record all dealings in Cash Converters proprietary loan origination system.
- This product is likely to be consistent and aligned with the identified target market’s needs, objectives and financial situation due to the following origination process, controls, and features:
- Consumers must complete an application form declaring their needs and objectives, their sources of income and their essential living expenses
 - Consumers must provide bank account statements for a suitability check to be undertaken and to verify their declared income and expenses
 - Consumers receiving government benefits must provide the income statement issued by Services Australia (Centrelink Income Statement)
 - Consumers must pass our ID verification process
 - A credit enquiry of the consumers credit file history is conducted to further verify their financial situation
- The above origination process and distribution conditions are essential to ensure that:
- Cash Converters’ Reasonable Steps controls are followed;
 - existing controls such as responsible lending are applied;
 - all distributors understand their obligations to ensure that each customer is within the product’s target market before engaging in retail product distribution conduct; and
 - reporting and monitoring data can be collected efficiently.
